

Three horizontal number lines are shown, each with tick marks and numerical labels. The first line has a single label '6,85' in the middle. The second line has three labels: '1,25' on the left, '4,30' in the middle, and '1,30' on the right. The third line has seven labels: '0,30', '0,95', '0,30', '3,70', '0,30', '1,00', and '0,30' from left to right.

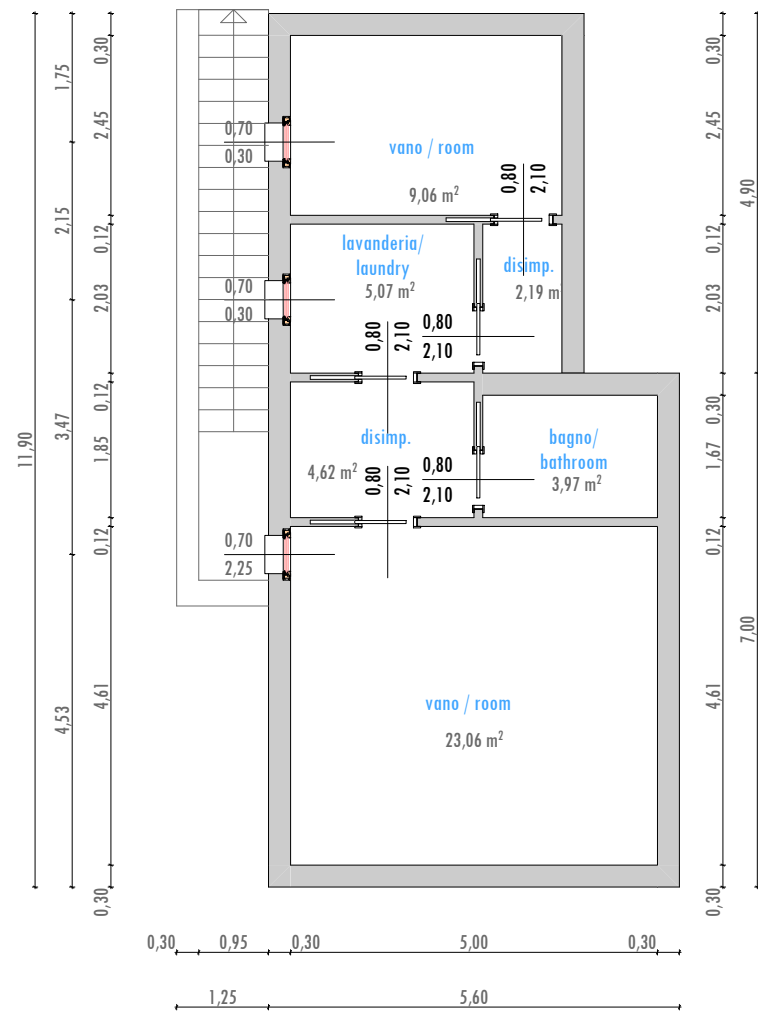

Diagram illustrating the decomposition of the number 15.05 into its constituent digits and their place values:

Digit	Place Value
1	10
8	8
5	5
0	0.1
3	0.3
0	0.01
5	0.05
